BFFs

Tara and I are the closest of friends. Being neighbors, we've watched our children grow and helped each other through some real hard times—stuff like marital problems—you name it.

We get together two or three times a week and the topic of sex invariably comes up. Tara is a stunning woman of 28 with full round breasts, the sort of treasure chest most men love and some women (like myself) secretly envy. My own boobs are kind of smallish in size and for the longest time, I dreamed and fantasized about seeing my friend in the pink.

She must have read my lusty mind that Wednesday as we sat sipping coffee in her kitchen because we started discussing our fantasies.

"As much as Rick is a stud and a half in bed, I sometimes need more," she admitted to me. "Something different."

"Another man?" I asked.

She smiled knowingly. "I've been down that road many times. And so have you, Cindy."

I felt myself blushing but it was silly, really. After all, she was the one I confided in when I had an affair with my son's fourth grade teacher.

"Haven't you ever wanted to get it on with another woman?" she pressed. "I'm serious."

My throat was dry and I focused on her large bosom. Her nipples were firm and erect, practically piercing through her flimsy

blouse. I admitted, "Yes, I'd like to try."

She then mentioned, "Rick went to Pittsburgh last week on business, and he brought home one of those awesome dildos. The kind you see in porn flicks."

"Really?"

She smiled dreamily. "He used it on me the other night. And I even got to bang his butt with it too. When it was strapped around my waist, I thought how crazy it would be to use that dildo on another woman. Someone I felt close to. Someone like you, Cindy."

Without further discussion, we went to the upstairs bedroom. After pulling the shades, Tara reached for me and we stood for the longest time, tongue-kissing and touching, fusing our bodies to a wonderful oneness. Like love-starved virgins, we tore off each other's clothing. The sight of her large pinkish boobs and brown nipples got me very excited, frantic with lust.

Tara thrust a tit into my mouth and I sucked hungrily, savoring the sweet taste of her satiny skin. She fingered my pussy as we swayed in each other's arms and swirled her fingers deep inside my soupy cunt. The hot stuff seeped from my insides as she urged me into bed.

Her face was suddenly buried between my fleshy thighs and she used her long wet tongue to work on my button clit until it throbbed. My husband has paid only lip service to my cunt, but dear Tara loved me completely down there, sliding her tongue over my spread-open gash, nibbling my red clit and bringing me to a howling climax.

She then towered over me, hovering her body above my face. I'd never loved a

good stuff

I'm living just outside a small town in Iowa and thought your readers would like to hear from a young farmer who enjoys your magazine.

Until about a year ago I had two different ladies who loved sex and we got together for a year, about once a week for fun.

Both ladies moved away so now I have only your magazines, my imagination, and my "hands" to satisfy myself. There must be others of my situation who are in the same boat.

Until I find other women, your magazine is about all I can use for sexual satisfac-

woman orally before and the musky taste of her pussy thrilled me like nothing else before—or since. Tara's cunt was absolutely gorgeous and enormous, expansive in pink ness. Warm juices gushed from her insides and I fucked her there with my tongue. When she climaxed, she pressed down hard on my face, smothering my breath with her snatch.

She then excused herself a moment and went to the dresser; I watched her remove the large dildo. "This is what I was telling you about," she said, between erratic breaths.

I fingered my wet pussy a w a i t i n g her powerful presence. She strapped on the love device and returned to bed. Talk

about an exceptionally erotic sight! She was so lovely, her large boobs firm and marred only by my love bites. And then there was that long cock jutting from her waist. I inhaled deeply and begged, "Do it to me!"

Parting my legs, she inched inside my welcoming body. The dildo filled me totally and Tara got into the act, humping her hips hard against me, pushing the dildo deeper inside me. I met her thrusts with forceful rocking motions, and nearly bit off one of her brown nipples at the climactic moment. Once she withdrew the cock from my pussy I followed her instructions, strapped it around my waist and loved her in return.

tion. So I read all the "good stuff" that the your other readers are doing in your magazine's letters, close my eyes, dream and jerk myself off. It's lonesome but satisfying.

If your readers— young and old— would be interested in different experiences that I've had, I would be happy to write some of them out for your letters section from time to time. I love to receive and get oral sex as well as dirty talk.

Thanks for reading my little note, and I'll watch future issues of your magazine to see if any of your avid readers would be interested.

Yours for hotter letters and some for us old guys.

*Mr. J.C.
Tacoma, Wash.*

In retrospect, I'm certain that the sensation of acting out a fantasy, becoming a cock wielder if you will, gave a new meaning and richness to my life. As I plunged in and out of Tara, I truly felt as if that dildo were an extension of me, an expression of my being. She loved the way I circled the warm inner walls of her cunt, ramming the device deeper and deeper. My own cunt dripped with juices and I climaxed again shortly after my friend.

Lying in each other's sweaty arms, we kissed and vowed to repeat our act on a regular basis. But Tara couldn't wait for another day. She said she had to love me now. Rolling me over, she fondled my ass and her hot breath suddenly warmed my asshole. When the electric sensation of her tongue touched my opening, I gasped. Her moaning sighs convinced me how excited she was. She licked and loved me back away from my pussy.

Never once did I object to her anal intrusion. Object? I loved it completely! When she wedged two fingers into my asshole I felt faint, on the verge of total deliriousness. She played with my butthole and returned with her mouth and tongue. I know she wanted to use the dildo back there but I protested, claiming my opening was just not big enough.

She kissed me on the lips and said, "We'll work on relaxing you another time. Please don't deny me that treasure." Returning her kiss I said, "I won't, but not today."

By the time I left, my body was drained and exhausted. I'm so happy. I'm now one of those fortunate individuals unafraid to express physical affection to a member of the same sex. To my dying day, I shall lust after Tara and know I can call on her for more than a cup of sugar. I'll always get the sweet-tasting honey between my dear friend's legs.

Being from a small town, the number of boys I could date or have sex with is pretty low. And the number of girls was even lower. PERSUAJON ENJOYS A GOOD TASTING COCK

I've always been an oral person. Love giving head, love getting head. I consider myself a bit of a connoisseur and once I even kept a chart of how my men tasted. In college I first started having sex with girls because my roomie was lez and she turned me onto the wonderful world of tasting pussy.

DO YOU NEED SEX AS MUCH AS I DO?

Imagine discovering you're the object of the sex fantasies of your wife's best friend...

I was both excited and ashamed as I read page after page of steaming sexual fantasy in the velvet-covered diary. Debbie, my wife's best friend, was the owner of the tiny book. It contained vivid descriptions of sex between her and her fantasy lover. I almost dropped the book when I realized that the man she had wild fantasies about was me. My cock was in my hand. I couldn't help but jerk off while I read the steamy passages.

I'd known Debbie for as long as I'd known my wife. She is almost the exact opposite of my wife: she's a tall blonde, my wife is a short brunette; she has a set of tits that stop traffic, my wife has tiny, delicate tits, but they are super sensitive. I guess I've admired Debbie's body for years, but I never dreamed of having sex with my wife's best friend. I guess she felt the same way and the diary was a way to vent her passion without cheating with her best friend's husband.

Debbie was staying with us for a few weeks. She was recently divorced and trying to regain her equilibrium.

She had what she thought was one of those forever marriages until the day that her husband left her and moved in with his secretary.

The diary entries before she came to stay with us were pretty negative. The divorce really had her down in the dumps. By the second day she was with us, she began making entries about me that had me blushing just to read them. Like the one where she admitted to masturbating while watching me cut the grass. My dick jumped in my hand at the thought of the beautiful blonde fingering her hot pussy while peeking at me from her bedroom window.

I was alone in the house, the girls were shopping. Her diary was on her night stand in plain sight. The temptation to look at it was simply too strong to resist. With each passing day, the entries became more and more explicit. She even described how she was playing with her pussy while she wrote in the private book. When I reached a passage describing my cock in her mouth and her need to feel my hot cum splash on her

tongue (I couldn't believe it!), I lost all control.

Before I could catch the sperm shooting from my twitching dick in the handkerchief I had handy, a couple of globs landed on a page of the open book. So I soaked the handkerchief and then wiped up the sticky mess on her book as best I could. I managed to convince myself that even if she spotted the stained page, she would never guess the source. I placed the book back exactly where I'd found it and left her room.

A few minutes later the girls arrived, arms full of packages and giggling like a couple of teenagers. I'm sure I looked guilty as hell, but neither of them noticed. They waltzed right by me and went to the bedroom to drop off the packages.

Somehow, knowing Debbie's secret thoughts made her seem sexier than ever: her shorts looked tighter, her soft, round ass wiggled more than usual and one glance at her braless tits bouncing under the thin blouse had my cock stiffening again.

BLAIR-NTS-09

I spent the remainder of the lazy Saturday afternoon with my mind between Debbie's tempting thighs. I had a hard-on that wouldn't quit. When the two of them put on bathing suits and went in the backyard to sun bathe, I positioned myself behind the sliding glass doors that lead to the patio and drank in every delicious curve of Debbie's almost naked body. It took all of the willpower I had to keep from jerking off again while I watched the sexy blonde squirm and wiggle as her body soaked up the sun's blazing heat.

When they had had enough sun, the two bathing beauties came in the house. Debbie headed straight for the shower while my wife proceeded to the kitchen to fix cool drinks. I followed my wife and slipped up behind her at the kitchen counter. She didn't see me until I put my hands on her flat, wet belly and pulled her lovely ass against my still-hard cock.

She put her elbows into my gut, trying to push me away. "Stop," she gasped, "Debbie will see us." But even as she spoke, her round little ass was squirming around like crazy on my hard dick. Unexpected sex always sets her on fire. And this was no exception. She barely whispered a protest when my hand slipped under the front of her bathing suit.

I let my finger slide into the wet groove of her already excited pussy. I think we might have had sex right there in the kitchen if she hadn't heard Debbie come out of the bathroom. I passed Debbie on my way to the bathroom. The front of my shorts had a bulge bigger than my fist. I was bone-hard. The first thing I noticed as I entered the bathroom was Debbie's swimsuit in a pile on the floor.

I stooped down and picked up

the tiny red bottoms. The crotch was still warm and damp with her sweet juice. I put it closer to my face and felt myself swoon as the fragrant aroma of her love tunnel filled my head. I even stuck out my tongue and tasted the slippery juice that remained on the warm crotch. My cock was jumping around like crazy. I was ready to come in my pants. Without realizing what I was doing, I soon had my prick out of my pants and found myself rubbing the sticky bathing suit against my throbbing cock.

A few seconds later, I lost control. The cum gushed from the swollen cockhead and into the soft material that I had snugly wrapped around the twitching monster. I came so hard that most of the white sperm passed through the thin material and landed on the floor. Once I calmed down, I again cleaned up the mess as best I could. The bathing suit crotch was much wetter than before, but there was no way anyone could tell what I'd done.

I joined the girls in the kitchen. I felt like the word guilty was written on my forehead in bright red letters, but

the girls hardly acknowledged my presence. My wife was listening to Debbie, but there was no doubt that she was still horny. She had her bare foot in my lap and was twitching her toes against my cock.

Debbie didn't make it any easier to remain calm, either. She had on a loose fitting, low-cut blouse and gave me a peek at her mouth-watering boobies every time she leaned forward to sip her drink. It didn't take much of that stimulation to bring my cock back to a full-fledged erection. I could see the twinkle in my wife's eyes as she felt her favorite toy harden under her foot.

I'd already masturbated twice that day and still there was no doubt in my mind that my cock was going to wind up between my wife's legs before the afternoon was over. She was so horny that I could see the wheels in her head turning as she plotted a way to get rid of Debbie. Debbie solved our problem. As soon as she finished her drink, she yawned, stretched, and told us she needed a nap. As soon as the door to her bedroom closed behind her, my wife practically dragged me to our bed.

She still had her bathing suit on. I knelt at her feet and pulled the strings on either side of the bottoms. The blue suit flopped down, but remained trapped by her crotch. I pulled her thighs apart and the material fell to the floor at the same instant that the wet puckered lips of her moist pussy came into view. I kissed her sweet pussy as though it were her mouth and shoved my tongue deep into her quivering tunnel. She clamped her hands around my head and humped her hips against my naughty tongue as she began quivering with her first orgasm.

I heard a noise in the hall. I

found myself wondering if Debbie had her ear to the door listening to every moan, slurp, and whimper. A picture of the tall, sexy blonde standing there with her hand in her pants, fingering her juicy pussy while she listened to our lovemaking, popped into my head. My dick got even harder, if that's possible.

Before I even got to remove the top of the swimsuit, my wife moved over to the bed and bent over. Her head and hands rested on it while her ass stuck up in the air, begging for my hard dick. I didn't disappoint her. I practically ran to where she waited and pushed my cock deep into her boiling box in one thrust.

I heard a muffled groan and her hips began gyrating wildly. I can't really say that I fucked her—it was more like she milked me. I held onto her big, soft hips and did my best to keep my throbbing prick buried in her squirming cunt. I held on through two of her orgasms before I lost control and filled her slippery cunt with my steaming cream. We fell on the bed in a heap and slept for over an hour before either of us stirred.

My wife's first words really shook me. "Debbie doesn't know what she's missing," she purred, as her hand toyed with my soft, sticky cock. My heart was in my throat. There was no way she could know about my fantasies; we are close but even she can't read minds.

"Debbie thinks she's ugly," she continued, in a more serious voice. "I don't know how to bring her out of her funk. If only she had someone like you," she smiled, as she gave me a tender peck on the lips. I felt like a heel, but my cock began responding to just the mention of my name and Debbie's in the same sentence.

constantly whispering and giggling. I sat around with a hard-on, too excited to think, just waiting for the magic moment. When it happened, it really surprised me how simple it was. My wife walked up to me and whispered, "She's ready. Go to her room. I'll join you later."

Debbie's door was partially closed. I pushed it open and stuck my head in. I couldn't believe the sight that greeted me. Debbie was nude, lying on her bed, knees bent with her feet flat on the bed, while her hand was busily poking in and out of her wet, pink pussy.

"Hurry," she teased, "or I'll start without you."

I must have set a record for getting undressed. By the time I reached her bed, I was naked. My cock was like a railroad spike.

She was too hot for preliminaries. She just spread her legs and guided me home. Before I had even completed two strokes, I felt my wife behind me licking my balls while I fucked her friend. Two chicks at once was too much for me. It was good that Debbie was already hot, because not many strokes later my back stiffened and I screamed as the seed gushed into her tight, hot box. Debbie clamped her legs around my waist and came with me.

When I came back to earth, I was flat on my back in the middle of Debbie's bed, with a beautiful woman on each side of me. It was obvious from the satisfied look on Debbie's face that she no longer felt ugly.

We've done it twice since then. It only happens when my wife schedules it, which is fine as far as I'm concerned. I love her too much to fool around without her. Besides, why mess up a good thing?

"Yeah, it's sad," I muttered, trying to keep my mind off Debbie's sexy body.

My wife was silent for a few minutes and then she dropped the bomb. "I want to ask Debbie to join us in bed," she blurted.

There was a lump in my throat the size of a watermelon. I wanted to scream, "Yes, yes, yes!" but instead, I stammered and tried to act embarrassed; not too eager.

"Can we?" she asked in her best little-girl voice, the one I can never refuse.

"If you want too," I grunted, trying to hide my enthusiasm. "When?" I stammered.

"Tonight!" she practically shouted, as she jumped up and slipped into her clothes. She ran from the room and left me lying there with my still half-hard cock in my hand.

I was a nervous wreck for the remainder of the afternoon and most of the evening. My wife and Debbie stayed away from me but were
